

# Power Decrease

## First seminar SH2705

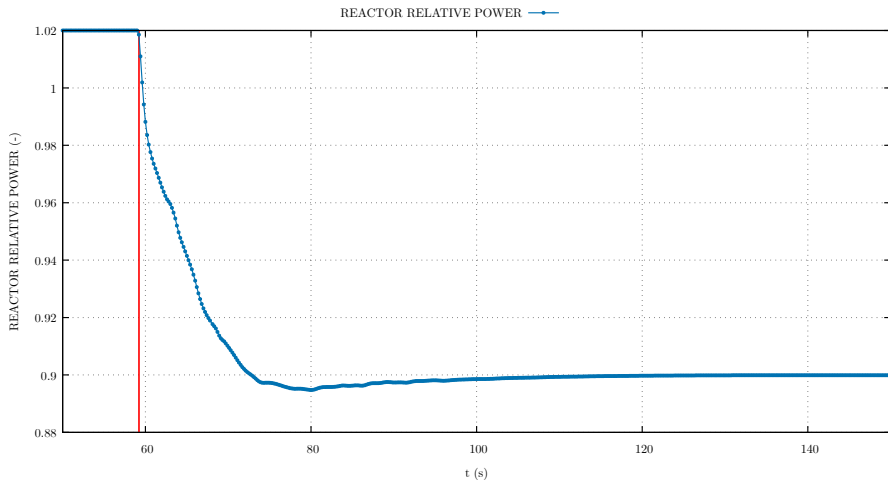

Quentin Louis Poirier, Jakub Mátl, Atilla Cakir

KTH

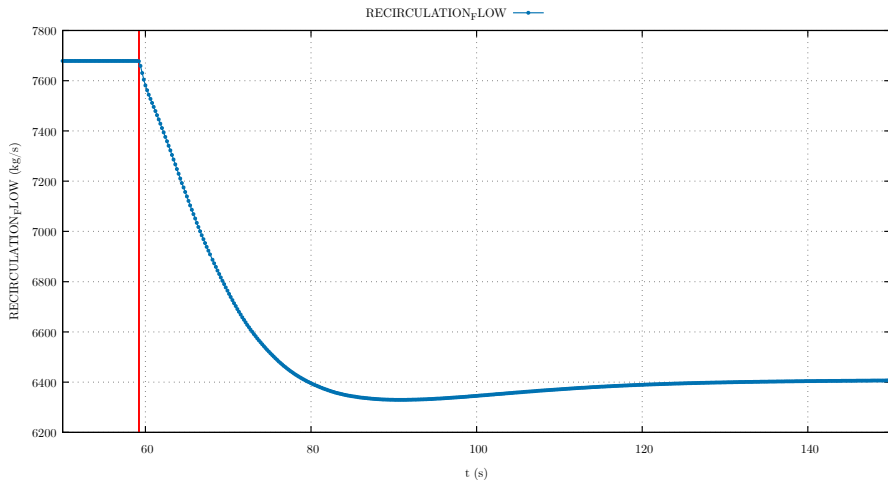

Royal Institute of Technology, Stockholm

123. 5. 2023

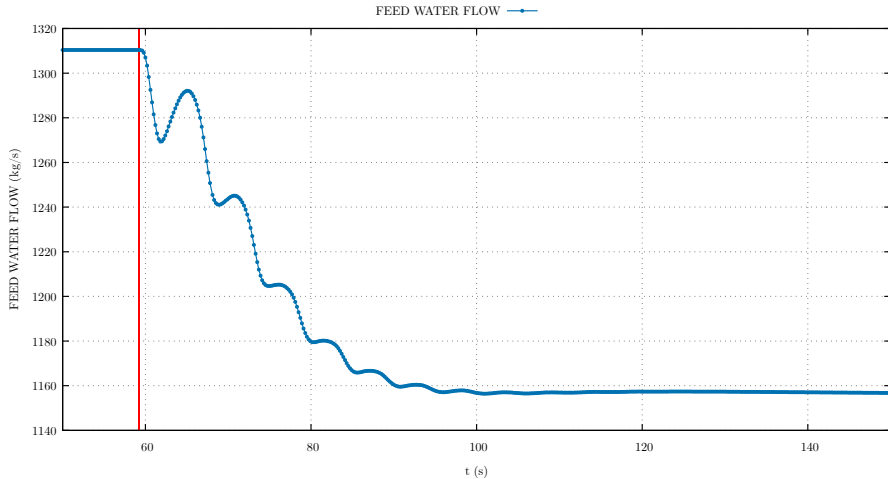

# Relative power

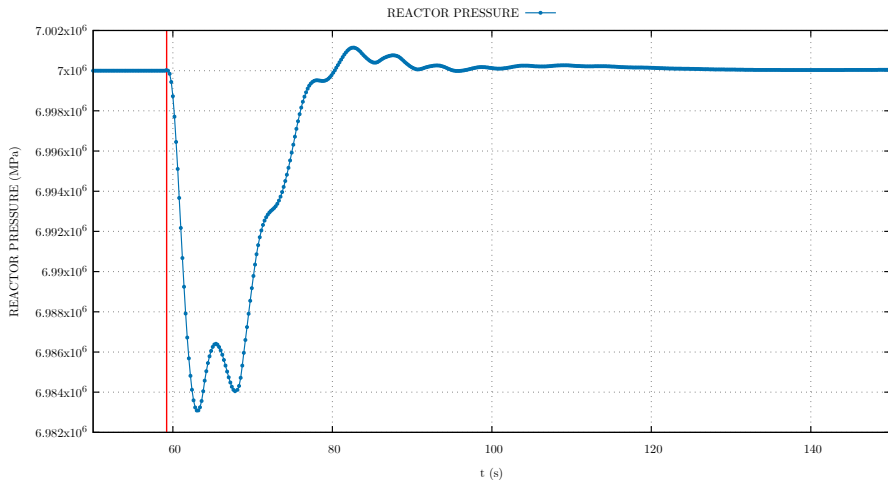

# Recirculation flow

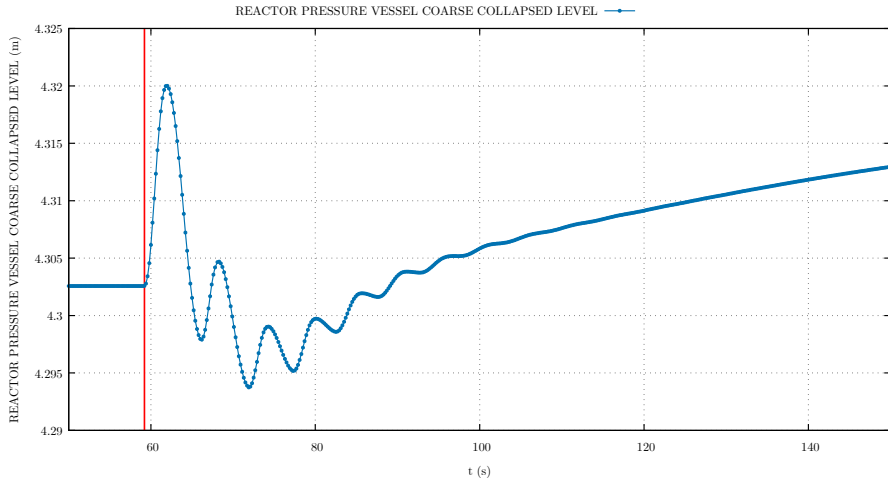

# Feed water flow

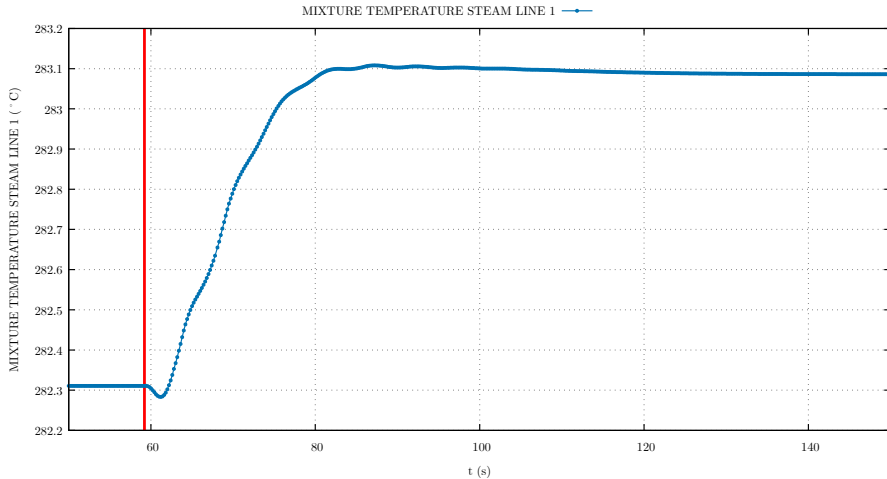

# Reactor pressure

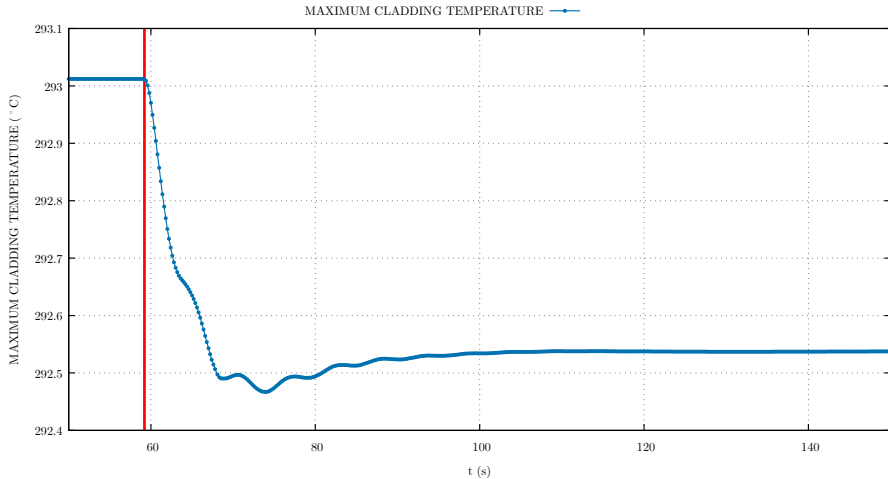

# RPV coarse level measurement

# Steam mixture temperature

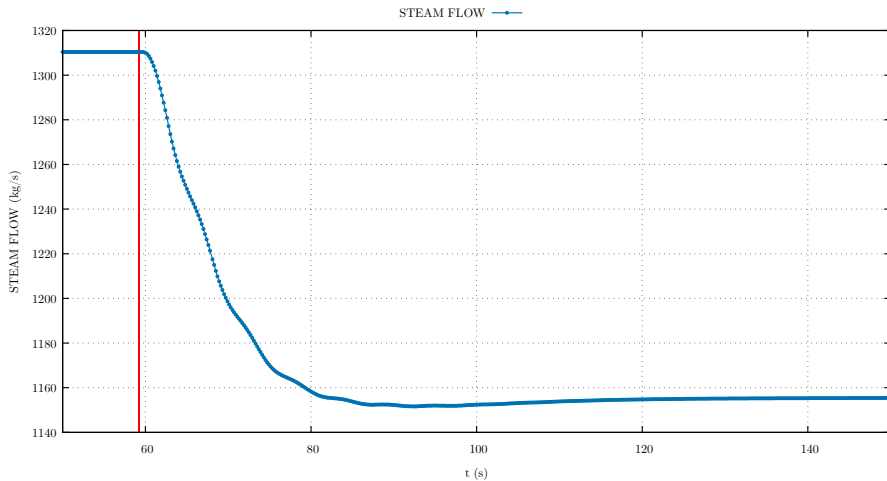

# Maximum cladding temperature

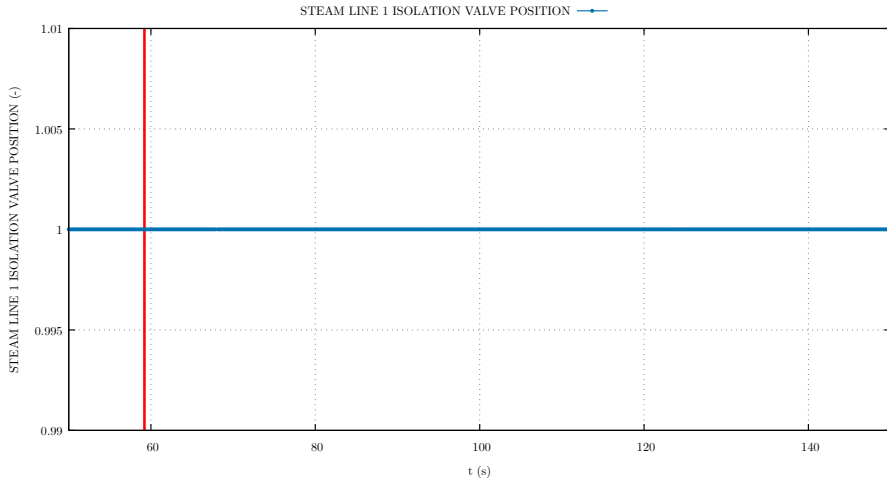

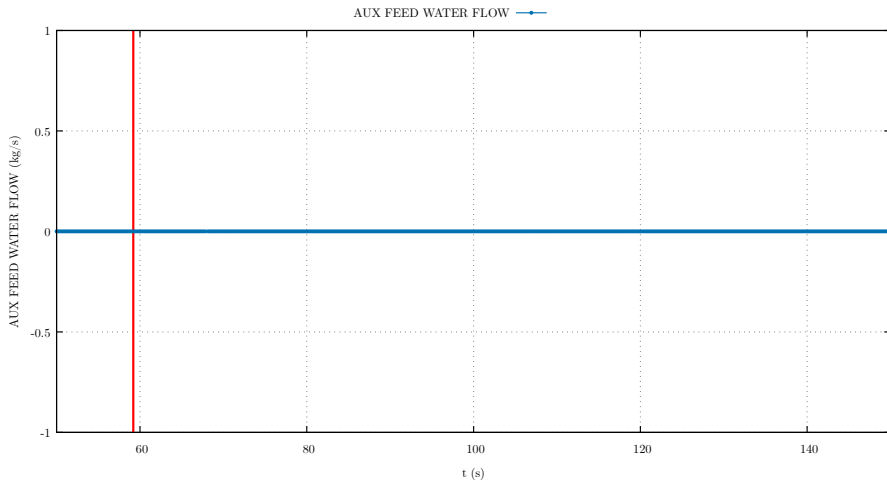

# Steam flow

# MSIV position

# Auxiliary feed water flow

Thanks for attention!
